

S-FORCE™

THE CARBON COLLECTION

# MANUAL

Carbon Fiber. The same material that reinforces the core of Formula 1 race cars is now used to make a watch like no other.

With zero tolerance for error, molding authentic carbon fiber requires precision and skill.

Our Carbon Collection brings you a true chronographic timepiece that is lightweight and rigid.

**ENGINEERED FOR THE FEARLESS,  
BE FIRST OR BE FORGOTTEN.**

# WARRANTY

We believe in our product and so should you!

Your S-Force™ watch comes with a full 2-year unlimited warranty from date of delivery.

If it breaks, we'll fix it. If we can't fix it, we'll replace it. Crystal to buckle, free of charge. It's that simple.

Our warranty covers watches purchased from the S-Force™ Official site, authorized retailers, or sponsored event.

In the event that your watch cannot be fixed but is no longer available, a watch of equal value and similar style will be provided.

All you need is your order number as proof of purchase or a copy of your receipt if purchased at an event. Was your watch a gift or have you lost your Order number? Leave the Proof of purchase field blank and send us your serial number with a picture of your backplate.

S-FORCE™  
CARBON  
1ST EDITION

# TO REGISTER YOUR S-FORCE CARBON WATCH

Your S-Force Carbon timepiece will have a unique and random serial number. You may register your watch online at [www.sforcewatches.com/apps/product-registration](http://www.sforcewatches.com/apps/product-registration) for expedited service.

To file a warranty claim, email us at [support@sforcewatches.com](mailto:support@sforcewatches.com) along with your order confirmation number.

## WATER RESISTANCE

Water Resistant 100WR (10ATM) - Your Carbon Collection timepiece is suitable for showering, swimming, and shallow snorkeling. Splash/rain resistant

Please do not press buttons on the watch while watch is wet (ex. while washing your hands or diving) as this might cause the water to permeate the seals.

Make sure to keep your watch away from hot waters, steams and vapors.
